File No. 08-

Hon. _____

Co-Defendants,

Kenosha County Assistant District Attorney Jason A. Rossell being first duly sworn, states that:

Count 1: FELONY CRIMINAL DAMAGE TO PROPERTY - PTAC, AS A PARTY TO A CRIME

The above-named defendant on or about November 02, 2007, in the City of Kenosha, Kenosha County, Wisconsin, as a party to a crime, did intentionally cause damage to the physical property of another, a vehicle, belonging to Jason M. Sadowski, without that person's consent, whereby said property was reduced in value by more than \$2,500, contrary to sec. 943.01(2)(d), 939.50(3)(i), 939.05 Wis. Stats., a Class I Felony, and upon conviction may be fined not more than Ten Thousand Dollars (\$10,000), or imprisoned not more than three (3) years and six (6) months, or both.

PROBABLE CAUSE:

Kenosha Police Officer Arnold reports that on November 2, 2007 at approximately 12:55 a.m. he observed a white Honda Accord, WI registration #572 LEW parked in front of 2732 84th Street, City and County of Kenosha, State of Wisconsin, with a broken windshield, driver's door window and back window. Officer Arnold further observed broken glass strewn on the road by the driver's door and footprints on the hood, roof and trunk lid of the vehicle. Officer Arnold attempted to make contact with the vehicle's registered owner, Jason Sadowski, but was unsuccessful.

Jason Sadowski reported to Kenosha County Joint Service Clerk, Wills, that on November 1, 2007 he had received a phone call from Lindsey Metz, who was looking for her boyfriend, Mike Myers who was with Mr. Sadowski. Mr. Sadowski told Metz not to call him and that Myers did not want to talk to her. Mr. Sadowski stated that Metz became upset and that a male then got on the phone and began threatening Mr. Sadowski and wanting to fight. Mr. Sadowski reports that when he returned home he found his vehicle damaged.

Detective Deschler reports that Jason Sadowski provided a damage estimate for his vehicle. Mr. Sadowski stated his rear window and driver side windows were completely

broken out, the Windshield was dented, cracked and spider webbing, and there were dents to the hood of his vehicle as well. The estimate for repair that Mr. Sadowski provided to Detective Deschler amounted to \$3,219.07.

Mr. Sadowski did not consent to anyone damaging his 1991 Honda Accord at anytime.

On November 13, 2007, Lindsey Metz stated to Detective Deschler that about two weeks prior while at Koerri Washington's house, Mike Meyers and Jason Sadowski were "talking crap to me" and she got tired of it and put Washington on the phone. Washington told Metz that Mike and Jason were calling him the "N" word and Washington got mad. Mike and Jason had told Washington that they were in Milwaukee and that Washington should meet them there to fight.

Metz stated that Washington, his roommate Ewedo Pearson, a 15 or 16 year old male named Mike (later identified as Michael S. DOB 09/04/91), and Mike's friend, Todd Lamothe all got into Lamothe's van to go to Milwaukee so Washington and Pearson could fight Mike and Jason. Metz stated that instead of going to Milwaukee they went to Jason's house. Metz told Lamothe how to get to Jason's and once there, pointed out Jason's white car. Metz stated that Washington, Pearson and Mike S. (DOB 09/04/91) exited the van. Metz stated that after the guys exited the van with two bats, Lamothe parked the van around the corner. Within a minute the guys returned, got back into the van, and Mike S. said he had jumped on the car hood and stomped on it and Washington and Pearson were bragging about what they did to the car. Metz stated she initially did not know what was going to happen when they got to Jason's house, but she did know it would not be good.

Todd Lamothe stated that he was at Washington's house and that Metz, whom he didn't know well, was there yelling at the person she was talking to on her cell phone. Lamothe stated after Metz finished her call she asked him to take her to Milwaukee. Lamothe stated he was not taking her to Milwaukee. Metz then asked Lamothe if he would take her over by Tremper (High School) and would give him gas money. Lamothe stated he was driving his mom's van and that Metz, Washington, Pearson, Chantel Hodges-Buttera and two other teenage males got into the van. Lamothe was driving, Washington was in the passenger seat, Hodges-Buttera and Metz were in the bench seat behind Lamothe and Pearson and the two other guys were behind them. Lamothe stated that Metz told him where to drive and on the way that Metz was talking about kicking some guy's butt. Lamothe stated that Metz, Washington, Pearson and one of the teenage kids got out of the van and Chantel told him to drive down the street and pull around the corner. Chantel told Lamothe to stop and they waited for approximately three minutes and everyone came back to the van. Lamothe stated they were all breathing heavy like they had been running. Lamothe stated he wondered what had happened but no one was saying anything about what happened.

Chanel Hodges-Buttera stated she was positive that Pearson and Washington got out of the van and believed that Washington had a red pipe and that Pearson might also have had an object in his hand. Hodges-Butter also thought it was Mike S. she saw jump on the hood of Sadowski's car and then she heard the sound of metal being dented and then saw Washington and Pearson walk towards Sadowski's car. Hodges-Butter stated she did not see the car being hit but did hear the sound of glass breaking.

Washington stated that Metz pointed out a car and said, "That's the car." Washington stated it was an old white car and he was "pretty positive" that Metz told them they should do something to the car. Washington stated that he, Pearson and another guy got out,

that Pearson had a short bat and he had a full sized wooden bat. The other guy had nothing and ran up to the car and jumped up on top of it, stomping on the hood. Washington stated he ran up to the car and hit the driver window with the bat he had, only hitting the window once and he did not see the window break. Washington stated he saw Pearson by the car with the bat and he thought Pearson hit the car but he was not sure. Washington stated they then ran and got back into the van.

Kyle C. (DOB 07/28/91) stated that he was in the van and that Metz pointed out Jason's white car. Metz said the car window should be smashed out. Washington, Pearson and Mike got out of the van. Kyle C. stated he did not see any bats and saw the three guys walk towards the car. Kyle C. stated the van was down the street and around the corner and while he was in the van he heard the sound of glass breaking. Kyle C. stated that Washington and Pearson were bragging about breaking the window.

Mike S. (DOB 09/04/91) stated that he, Washington and Person got out of the van. The van continued down the street and parked in a place where it could make a good get away. Mike S. stated he ran up to the car and jumped on the front bumper and bounced off. Mike S. stated he then jumped on the hood so he could smash it but the hood was slick from dew and slipped off. Mike S. stated he heard the windows of the car being smashed and when they were done by the car they took off for the van. Mike S. stated that inside the van Metz was giving them all hugs and congratulating them.

Furthermore, Mike Myers and Jason Sadowski both reported that they had phone contact with Metz who admitted to being responsible to the damage to Sadowski's vehicle along with Koerri Washington and his roommate, Ewedo Pearson.

Your complainant is an attorney with the Kenosha County District Attorney's Office, who bases his/her knowledge of this complaint on:

- The official law enforcement agency reports of the Kenosha Police Department prepared by Officer Arnold, Joint Service Clerk Wills and Detective Deschler, which reports were prepared in the normal course of law enforcement duties;

- Statements by the defendant, which were made contrary to his penal interests;
- The official records of: The Circuit Court for Kenosha County; The Department of Transportation; The FBI Triple I Teletype; The Wisconsin Circuit Court Automated Program, which records are maintained in the normal course of business duties.

Tonight at about 11:14pm I was north bound on Sheridan Road at the 7200-block. While I was there I saw a grey Cadillac drive past me south bound on Sheridan Road. The Cadillac was operating with its high beam headlamps on and the light was shining directly into my eyes causing me to look the other way.

It was dark out and the high beams were magnified by the darkness.

I turned my marked squad car around and initiated a traffic stop at the 7600-block of Sheridan Road.

I walked up to the front passenger and could see him reaching for something with his left hand into his left pant pocket. I was scared for my safety because of his furtive movements.

The male white passenger identified himself with a Wisconsin photo ID card as Michael Anderson. I asked the male black driver for his driver's license and he handed me a Wisconsin instructional permit. The driver, Koerri Washington, told me that he had no license yet. He also told me that he was in violation of his permit. I asked them where they were going to and they stated a party with friends.

As I spoke to them I could smell the odor of marijuana emitting from the car. I requested another squad car and Officer Arnold arrived.

I placed Michael and Koerri into Officer Arnold's squad car. I then drove the Cadillac into the parking lot at the 7600-block of Sheridan Road.

While Michael was in the car dispatch informed us that Michael had an active probation warrant for his arrest.

He was arrested, subsequently.

I searched the car incident to arrest and located a white and black checker board pattern back pack in the rear passenger seat directly behind Koerri's seat and on top of a black jacket.

I opened the bag and found two open bottles of liquor in one of the pockets. One bottle was Bacardi Grand Melon and the other was Three Olives vodka. The vodka was almost full, but open and the other was 1/2 full.

I also located a plastic watch case. In the case were 5 individually wrapped baggies of a leafy green substance that based on my training and experience looked and smelled like marijuana. I also know that marijuana is packaged in this manner when it is going to be sold or distributed. Also in the back pack was a black plastic hair pick with a fist molded on the handle. Korrie is a male black with a hair that requires a hair pick to groom. I searched the car thoroughly and found nothing. Korrie requested that I leave the car there and lock it.

I did and Officer Arnold brought Koerri and Michael to the Kenosha Police Department where they both exercised their rights to an attorney.

I field tested the suspected marijuana and saw a positive color transfer indicating the presence of THC.

I weighed the 5 baggies and it totaled 10grams. I placed the marijuana and the back pack into the evidence room under property log number 135903.

I issued Koerri the following UTC's:

J672763-0 for failure to dim,

J672762-6 violation of license restriction

J672764-1 open intoxicants in a M/V (driver).

I also issued Koerri MCC # 1052842 Possession of Alcohol by Underage Person.

I contacted the D.O.C and they sent a TTY indicating that they wanted Koerri detained at the Kenosha County Jail.

Michael was also taken to the Kenosha jail and held on his P&P warrant.

(In your own words, describe WHO did WHAT, WHERE, WHEN, WHY and HOW, be accurate and complete.)

PLEASE PRINT

After seeing Jason Sadowski's car and contacting Lindsey Metz through phone calls, I was able to find out from her that she did the damage to Jason Sadowski's car. She is calling me and leaving threatening messages as well as throwing a brick at my car. Lindsey Metz told me specifically she did this and I believe she is responsible for the broken windows on Jason Sadowski's car. She also said she was with a person by the name of Cory Washington who was also making threats through cell phone contact. He might have aided Lindsey in damaging Jason Sadowski's vehicle.

I have made the above statement without any threats or promises. It is my desire to state the true facts as to this incident. I have read the above statement and find it is true and correct.

The damage to my vehicle is as follows: the rear window was completely broken out; the driver side window was completely broken out and the windshield was dented, cracked and spider webbing. There were also dents to the hood of my car.

When I called Lindsey and asked her about damaging my car, she told me Koerri Washington, Chantel, another person unknown to me and her (Lindsey) smashed out my windows and jumped on my car.

Earlier during the night my car was damaged, I was at a basketball game in Milwaukee with Mike Myers. Lindsey called me because she wanted to talk to Mike, her ex-boyfriend. I would not let her nor would I talk with her. She got mad at me because of this. During one of the conversations, a male got on the phone and identified himself as Koerri Washington. Koerri said he wanted to fight me and told me to meet him at his house on Green Bay Road. I did not meet him.

This statement is being typed for me by Detective Steve Deschler of the Kenosha Police Department and is a true and accurate account of my statement

About 2 weeks ago, Mike Myers and Jason Sadowski were calling me to talk crap to me. I got tired of it so I put Koerri Washington on the phone because he could see I was upset by what Mike and Jason were saying. Koerri left the room and talked to them so I could not hear all of his conversation. I did hear him ask Mike or Jason where they were at so he could fight them. Koerri said Mike and Jason were calling him the "N" word which is why he was mad. We were at Koerri's house when these calls were taking place.

Jason and Mike told Koerri they were in Milwaukee and that he should meet them there to fight. Koerri said he knew exactly where it was. Chantel, Koerri, Koerri's roommate, [REDACTED] a friend of [REDACTED] and me get into Todd Lamothe's van. It was dark so I can only describe it as being dark colored. I do not know Koerri's roommate's name. I have never met [REDACTED] or his friend before. They are white males and about 15 or 16 years old. We got into the van and were going to drive to Milwaukee so Koerri and his roommate could fight Mike Myers and Jason Sadowski.

Koerri or his roommate said we should make sure they were not at Jason's house. Neither of them knew where Jason lived but I did. I was pretty sure Jason and Mike were in Milwaukee. Todd drove the van and I showed him how to get to Jason's house.

When we got to Jason's house, I saw that Jason's white car was parked in the street in front of a neighbor's house. I told Koerri and the others where Jason's house and car were located. Koerri, Koerri's roommate and [REDACTED] got out of the van. Koerri told Todd to drive to the end of the block. When the guys got out of the van, I saw they had small bats. They were about 2' long. One bat was black and red. I am not sure if [REDACTED] had a bat or not.

We were parked on a side street so I could not see Jason's house or car. The 3 guys were back within a minute and they got into the van. I asked them what they did. [REDACTED] said he jumped on the hood and stomped on it. I asked what window got broke. Koerri or his roommate said they took out the back, front and side window of Jason's car. I told them that this was going to come back on me. Koerri's roommate said I would not get in trouble and that I should just say I was in Milwaukee. He said this was going to be their story also.

After this we went back to Koerri's house. Koerri and his roommate were bragging about what they did to Jason's car. Jamal Washington and Joe are also Koerri's roommates and they were at the house when we got back. They had been there before but I do not think they knew we left. Jamal thought Mike Myers car got damaged so he asked Koerri why he did that

because Mike Myers is his guy. Joe said they should have waited a month so Jason and Mike would not know it was them who damaged the car.

I did not know exactly what would happen when we got to Jason's house. I just wanted Mike to get beat up which is why I told Koerri and the others where Jason lived. I did know though that nothing good was going to happen by going over to Jason's house.

I was at my house with Koerri Washington, Joe Cabilly, Jamal Washington, Andrew Montayo, [REDACTED] and some other people whose names I do not know. Lindsey showed up with a female friend. Lindsey was on her cell phone and arguing with some dude. Lindsey said it was her ex-boyfriend she was fighting with. Lindsey gave the phone to Koerri and he spoke with the guy. Koerri told me the guy on the phone called us niggers and said he would beat our asses. Koerri asked the guy why he was calling us this. I was frustrated when I heard the guy was calling us a nigger.

Lindsey said she wanted to beat the guy's ass and fight him. Koerri, Lindsey, her friend, me, the driver of the van and 3 mixed guys that are a bit older than me. I do not know if any of those guys were called [REDACTED]. We got into a red Astro Van to see Lindsey fight her ex-boyfriend. I did not know exactly what was going to happen but I knew something bad was going to happen to the guy or something around him.

We got to a house and I am not sure whose house it was. I was in the back seat with Koerri and we were playing video games on a PSP. Lindsey and two mixed guys (white and black) got out of the van. The van was pulled down the street and around the corner. About 3 minutes passed when Lindsey and the 2 guys came back to the van. I did not see anything in Lindsey's hand or the hands of the other guys. They were giggling when they came back to the van and they did not say anything. I did not see anything being done to the guys house or vehicle because I was concentrating on the video game.

This statement is being typed for me by Detective Steve Deschler of the Kenosha Police Department and is a true and accurate account of my statement

I was at my house with Ewedo, Joe, Lindsey, Chantel and 3 white guys. I do not really know them and I have not hung out with them before. Lindsey was on the phone with Mike Myers. Lindsey was screaming, arguing and yelling. Lindsey was handing the phone around and I got it. I said, "hello". The guy was screaming and yelling at me. He used racial slurs and said he was going to slit my throat. I was telling him, "whatever." I told him my name and where I lived.

Lindsey said she wished someone would whoop his ass. She also sounded like she wanted to do it herself. Lindsey, Chantel, Ewedo, the driver of the van (another white guy), 2 white guys and me left in a van. Ewedo was in the front passenger seat, I was sitting behind Ewedo and Lindsey was next to me. The 2 white guys were sitting behind Lindsey and me. We drove past Mike's house but did not stop. We stopped at a house on the south side of Kenosha. Lindsey pointed out a car and said, "That is the car." The car was an old white car.

I am pretty positive that Lindsey said we should do something to it. Ewedo, one of the white guys and I got out of the car. Ewedo had a short bat and I had a full sized wooden bat. The white guy did not have anything. The white guy ran up to the car and jumped up on top of it. The white guy was stomping on the hood. I ran after the white guy and got to the car. I hit the driver window with the bat I had. I only hit it once and I did not see the window break. I do not know what damage I did to the window. Since the window did not break, I ran from the car and down the street and around the corner to where the van went. I went about 2 blocks before I saw the van and got in it.

I saw Ewedo by the car with the bat he had. I think he hit the car but I am not sure. Ewedo and the white guy also ran from the car and got into the van. We went back to my house. I went straight to my room and went to sleep. I am not sure how long everyone else stayed at my house. They might have even left right away.

This statement is being typed for me by Detective Steve Deschler of the Kenosha Police Department and is a true and accurate account of my statement

About 3 weeks ago I was at Koerri's house. There was this girl there named Lindsey who I do not know well. She was yelling at the person she was talking to on her cell phone. After she was done talking, Lindsey came into Joe's room and asked me if I would take her to Milwaukee. I told her I was not going to go to Milwaukee. She then asked me if I would give her a ride by Tremper. Lindsey said she would give me gas money. I told her I would because I needed to go to Rhode's Auto and Truck because I needed to get my title from my vehicle. My car was being worked on and it was in the lot.

I was driving my mom's van at the time. The people who got into the van were Lindsey, Chantel, Koerri, Ewedo and 2 other teenage males. I was wondering why all of these people were coming along. Lindsey had asked me if everyone could come with. I asked her if they were going with her and she said yes. I was driving. Koerri was in the passenger seat. Chantel and Lindsey were sitting in the bench seat behind me. Ewedo and the 2 guys I did not know were sitting in the third bench seat. We drove to Rhode's Auto and Truck and I got my title. We then drove in the area of Tremper. We were off of 85th Street. Lindsey was telling me how to get to where we needed to go. Lindsey told me where to stop. On the way there, Lindsey was talking about kicking some guy's butt.

Lindsey, Koerri, Ewedo and one of the teenage kids got out of the van. I did not see anyone with bats. I did not have any bats in the van. After the four people got out of the van, Chantel told me to drive down the street and pull around the corner. Chantel told me to stop so I did and we waited. We were in the van for approximately 3 minutes when everyone came back to the van. They were all breathing heavily liked they were running. I think it was Lindsey who said, "I can't believe it" or something like that. I was wondering what happened and I asked them what was going on. No one was saying anything about what happened.

We drove back to Koerri's house and hung out there for a while. I do not remember who said it but somebody told me that whoever it was that got out of my van broke some windows on a car. I did not believe that and said that did not happen. I asked Koerri if they broke some windows on a car. Koerri said they did not do that and he did not know what I was talking about.

I have known Koerri for about six months. I met him through Joe Cabili. I would say Koerri and I are good friends. Joe and Koerri are roommates. I have worked at Culver's for about 2 1/2 years and Koerri has been working there for a couple of weeks.

This statement is being typed for me by Detective Steve Deschler of the Kenosha Police Department and is a true and accurate account of my statement

I was at Koerri's house with Lindsey, Ewedo, Todd, [REDACTED] [REDACTED] Koerri, Joe and some girls that I did not know. Lindsey was getting a bunch of calls from Mike Myers, her ex-boyfriend, and Jason Sadowski. Both of the guys were calling Lindsey's family baby killers and said he was glad he could take her ability to have children away. He made other statements that would make her cry. Lindsey was upset and mad and would yell back at Mike and Jason.

Koerri eventually took the phone from Lindsey so he could tell Mike and Jason to stop calling Lindsey. Mike and Jason started to use racial slurs against Koerri. They called him the "N" word and told him that his grandparents worked for my grandparents. Koerri did not get mad at first but eventually got fed up with what they were saying to him. Mike challenged Koerri to a fight and told him to meet him at the Pabst Theater in Milwaukee.

Lindsey told everyone we should go to Milwaukee so they could fight Mike and Jason. Koerri and Ewedo were willing to do this also. It seemed like they were willing to fight for Lindsey because of what Mike and Jason said to her. Lindsey first asked Ewedo to drive but he told her that Joe would not let him use his car.

Lindsey then asked Todd to drive. He had a van that all of us could fit in. Lindsey told Todd that she would give him \$20 to drive us to Milwaukee. Todd said he would not drive to Milwaukee. Lindsey continued to beg him until Todd said he would take us. Lindsey, Koerri, Ewedo, myself, [REDACTED] and [REDACTED] got into the van. Todd was driving. Ewedo was in the front passenger seat. I, Lindsey and Koerri were on the bench seat behind Todd and Ewedo. [REDACTED] and [REDACTED] were sitting on a bench seat behind us.

Todd did not drive north towards Milwaukee. Instead he went south and said he needed to take care of an errand. We drove to an automotive place by the Job Center because Todd needed to get something out of his car. After he got what he needed, Todd told Lindsey to keep her money because he did not want to go to Milwaukee.

Lindsey begged Todd to take us to Milwaukee but he refused. Lindsey then asked Todd to take us past Mike's house. Todd agreed so Lindsey told him how to get there. We got to Mike's house and saw that all of the lights were out and it looked like no one was home. Lindsey then said that we should drive past Jason's house to see if they were there. No one knew how to get there except Lindsey so she gave Todd the directions to Jason's house.

We got to Jason's house and Lindsey said that Jason's car was there. She also pointed out his house. She believed they were in Milwaukee. Lindsey said something like, "Go get his car."

They are not here." I told her that was not Mike's car and he was the one who was saying all of the mean stuff to her. Lindsey told me that Jason was on the phone also. Ewedo and Koerri were contemplating doing it and decided to go ahead. Ewedo and Koerri got out of the van for sure. I think it was Koerri who had a 2' to 2 1/2" red pipe. Ewedo might have had an object also but I did not see anything because he was sitting in the front. I think it was [redacted] who also got out of the car but I am not totally sure. I saw this person run to the car and run over it. I saw him on the hood and heard a sound. It sounded like a car does when you sit on it and your weight makes the metal indent.

I saw Ewedo and Koerri going towards the car as the van pulled away and around the corner. I did not see the car being hit but I could hear the sound of glass breaking.

We were in the van for about 30 seconds when Koerri, Ewedo and possibly [redacted] ran up to the van. I had opened the front passenger door and Lindsey opened the sliding glass door. The 3 guys jumped in the van and all of them are telling us to go and get out of the area. We drove back to Koerri's house and hung out a little longer before we all left.

When we got back to the house all of us decided we were not going to speak about what happened.

On 11/13/07, I received this criminal damage complaint to follow up on. The victim, Jason Sadowski, provided an initial statement about the damage to his car, a white Honda Accord WI 572LEW. The damage was originally found by P.O. Arnold #423 while he was on patrol on 11/02/07 at 0055. See his report for further details. This was before Jason made his complaint.

P.O. Herring #335 responded to Jason's house during his shift on 11/02/07 and got the No-Consent Form signed by Jason.

P.O. Herring took a statement from Michael Myers when he got the No Consent signed. Michael stated he called Lindsey Metz and she told him that she did the damage to Jason's car. Lindsey said she was with Koerri Washington when the damage was done to the car. See Michael's report for further details.

On 11/09/07, Jason made a statement about this incident at the front counter. Jason stated he contacted Lindsey Metz and asked her about the damage to his car. Lindsey told him that Koerri, herself, Chantel and another person who lives with Koerri drove to his house with the intention of damaging his car. Lindsey stated to Jason that they damaged his car once they got to his house. See his statement for further details.

I contacted Jason to get specific information about the damage to his car. Jason stated his rear window and driver side window was completely broken out. The windshield was dented, cracked and spider webbing. Jason stated there were dents to the hood of his car. See his statement for further details.

Jason provided a copy of an estimate for the damage to his car. The damage was estimated at \$3219.07.

On 11/13/07, I spoke with Lindsey at the police department in an interview room. I had a couple of phone calls with Lindsey prior to this and advised her that she was going to get charged with Criminal Damage to Property and that she was not going to go to jail that night. I picked Lindsey up at the Birchwood Grill and gave her a ride to the police department. She was not handcuffed.

I read Lindsey the Waiver of Constitutional Rights. Lindsey stated she understood her rights and was willing to waive them. Lindsey signed the form indicating such. Lindsey stated she got

into an argument on her cell phone with Mike Myers and Jason Sadowski while she was at Koerri's house. During her conversation, Koerri used her phone and spoke with Mike and Jason. They used racial slurs towards Koerri which made Koerri mad.

Lindsey stated her, Koerri, his roommate (Ewedo), Chantel, a 15 or 16 year old white male named [REDACTED] friend and Todd Lamothe got into Todd's van. I was able to identify the teenage [REDACTED] Lindsey stated they were going to go to Milwaukee so Koerri and Ewedo could fight Mike M. and Jason. Instead of going to Milwaukee they went to Jason's house. Lindsey was the only one who knew how to get there so she told Todd how to get there.

Lindsey stated she pointed out Jason's house and white car. Koerri, Ewedo and [REDACTED] exited the van. Lindsey stated the guys had 2 bats that were about 2' long and one of them was black and red. Lindsey was not sure if [REDACTED] had a bat. After the 3 guys exited the van, Todd parked it around the corner.

Lindsey stated that within a minute Koerri, Ewedo and [REDACTED] got back into the van. Lindsey asked them what they did. [REDACTED] said he jumped on the hood and stomped on it. Lindsey asked what window was broken. According to Lindsey, either Koerri or Ewedo claimed to have broken the back window, front window and side window of the car. Lindsey stated Koerri and Ewedo were bragging about what they did to the car.

Lindsey stated she did not initially know what was going to happen when they got to Jason's house but she did know it would not be good. Lindsey stated she wanted Mike to get beat up which is why she told Koerri and the others where Jason lived. See Lindsey's statement for further details. Lindsey was pictured, printed and released complaint and summons.

On 11/16/07, I went to [REDACTED] in an attempt to make contact with Koerri and Ewedo. Ewedo came to the door and I spoke to him about this incident on his front porch. Ewedo denied knowing anything about Jason's car being damaged. Ewedo was placed under arrest, handcuffed and transported to the police department.

Koerri came to the front door and I spoke with him on the front porch. Koerri also denied knowing about Jason's car being damaged and denied involvement in this incident. Koerri was arrested for a municipal commitment and for this case. He was handcuffed and transported to the police department.

I interviewed Ewedo in an interview room in the detective bureau. Prior to doing this I read the Waiver of Constitutional Rights to Ewedo. Ewedo stated he understood his rights and agreed to waive them. Ewedo signed the form indicating such.

Ewedo stated he was at his house with Koerri some people when Lindsey showed up with a female friend. Unknown to Ewedo the female friend was Chantel. Lindsey was on her phone arguing with her ex-boyfriend. Koerri got on the phone and the ex-boyfriend used racial slurs against Koerri.

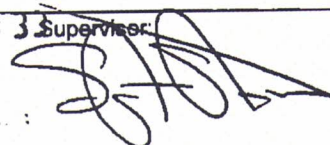

According to Ewedo, Lindsey wanted to beat up her ex-boyfriend. As a result, Lindsey, Chantel, Ewedo, Koerri, the driver of the van (Todd Lamothe) and 3 other guys he did not know

got into the van. Ewedo stated they got into the van so they could see Lindsey fight her ex-boyfriend. Ewedo stated he was sitting in the back bench seat with Koerri playing PSP video games when they got to a house. Ewedo denied getting out of the van and damaging Jason's car. Ewedo stated Lindsey and 2 of the unknown mixed guys got out of the van. See Ewedo's statement for further details.

It should be noted that it was learned during this investigation there were no males in the vehicle who were mixed. The males in the van were either black or white.

Ewedo was pictured, printed and released pending complaint and summons.

I read the Waiver of Constitutional Rights to Koerri prior to interviewing him. Koerri stated he understood his rights and agreed to waive them. He signed the form indicating such.

Koerri stated he spoke with Mike Myers on Lindsey's phone and Mike used racial slurs towards him. Koerri stated he told Mike his name and where he lived in case Mike M. wanted to face him. Koerri heard Lindsey say she wanted someone to beat Mike M. up. Koerri stated he, Lindsey, Ewedo, Chantel, the driver of the van and 2 white guys got into a van and left. Koerri stated Ewedo was sitting in the front passenger seat. Chantel, Lindsey and he were in the bench seat behind the driver. The 2 white guys were sitting on the bench seat behind him and the girls.

Koerri stated they drove past Mike's house and then to Jason's house. Lindsey pointed out a white car and said that was the car. Koerri believes Lindsey said they should do something to the car. Koerri said he, Ewedo and one of the white guys got out of the van. I was able to determine later that the white guy Koerri was referring to was [REDACTED] Koerri admitted to having a full sized wooden bat and stated Ewedo had a short bat. The white guy did not have anything in his hand.

Koerri saw [REDACTED] run to the car, jump on top of it and stomp on the hood. Koerri admitted to hitting the driver's window. He only hit it once and was unsure of the exact damage he did to it because he ran as soon as he hit the window. Koerri saw Ewedo by the car but stated he was unsure what part of the car he hit. All three of them ran back to the van after damaging the car. See Koerri's statement for further details.

Koerri was held in jail on his municipal commitment.

I was able to make phone contact with Todd Lamothe and asked him if he would come to the police department. Todd voluntarily agreed to come to the police department and I met with him on 11/18/07. Todd was not under arrest and I told him this. I also told Todd he was free to go at any time. Todd stated he understood this. In order to have some privacy, we spoke in an interview room and the door was shut. The door does not lock and could be opened at anytime.

Todd stated he was at Koerri's house when Lindsey showed up. She was yelling at someone on her cell phone. Lindsey asked Todd if he would take her to Milwaukee. Todd stated he told her he was not going to go to Milwaukee so Lindsey asked him if he would take her to the area by Tremper. Todd agreed to do this because Lindsey said she would give him

some gas money. Todd said Lindsey never paid him.

Todd stated Lindsey, Chantel, Koerri, Ewedo and 2 other teenage males got into his van. Todd wondered why all of these people got into his van when only Lindsey asked for a ride. Lindsey told Todd they were going with her. Todd stated Lindsey told him how to get to where they were going and where to stop. Todd heard Lindsey talk about kicking some guy's butt.

When Lindsey told Todd to stop, Koerri, Ewedo, Lindsey and one of the teenage kids got out of the van. Todd stated he did not see anyone with bats and claimed not to have any in his van. After the 4 people got out of his van, Chantel told him to pull around the corner which he did. After about 3 minutes, everyone came back to the van and they were breathing heavily like they had been running.

Todd stated no one said what happened when they were out of the van. They all drove back to Koerri's house where he heard people talking about some car windows being broken. Todd asked Koerri if they broke windows on a car when they got out of his van. Koerri denied doing anything like that. See Todd's statement for further details. After I took Todd's statement, he left.

On 11/19/07, I took an additional statement from Michael Myers. Mike stated he took a trip on 11/06/07 with Lindsey. He talked with Lindsey about the damage done to Jason's car. Lindsey told Mike that she was in a van with Koerri, Ewedo, [REDACTED] Chantel and a couple of other people she did not know. Lindsey stated to Mike that she told the people in the van which house and car belonged to Jason. Lindsey stated Koerri, Ewedo and [REDACTED] got out of the van and each person had a bat. Lindsey was not specific as to who was who but she did state she saw one person break a window on the car and another person stomp on the hood and roof of the car. See Mike's statement for further details.

I spoke with Chantel in an interview room at the detective bureau. Chantel voluntarily came to the police department and I gave her a ride from her house to the department. I told Chantel that she was not under arrest and she was free to leave at anytime. Chantel stated she understood this.

Chantel stated she was at Koerri's house with Lindsey when Lindsey was arguing with Mike M. and Jason. Chantel stated racial slurs were used against Koerri when he was talking with them on Lindsey's phone. Lindsey told everyone they should go to Milwaukee so they could fight with Mike and Jason. Chantel stated Koerri and Ewedo were willing to do this.

Lindsey asked Todd to drive them because Ewedo said his roommate would not let him use his car. Lindsey gave Todd \$20 to drive them to Milwaukee. Todd stated he would not drive there but eventually gave in to Lindsey's requests. Chantel stated Lindsey, herself, Koerri, Ewedo, Todd, [REDACTED] got into Todd's van. Ewedo was in the front passenger seat. Chantel stated Lindsey, her and Koerri sat in the bench seat behind Todd and Ewedo. Chantel stated [REDACTED] sat behind her.

Todd went to an automotive shop first. After that he said he was not going to drive to

Milwaukee and gave Lindsey her money back. Lindsey asked Todd to take them to Mike's house and then Jason's house. Todd agreed and Lindsey told him how to get to each house. When they got to Jason's house, Lindsey pointed out Jason's car and house. Lindsay said, "Go get his car" or something to that effect. Chantel stated she tried to talk Lindsey out of damaging Jason's car.

Chantel was positive Ewedo and Koerri got out of the van. Chantel believes Koerri had a 2' to a 2 1/2' red pipe. Ewedo might have had an object in his hand according to Chantel. Chantel thought it was [REDACTED] who also got out of the van but she was not totally sure about that. She saw who she believed was [REDACTED] jump on the hood. Chantel heard a sound that was similar to the sound metal makes when it is indented.

Chantel saw Ewedo and Koerri going towards the car. She did not see the car being hit but she did hear the sound of glass breaking. Chantel stated the van was pulled around the corner and they were there for about 30 seconds when Koerri, Ewedo and the other guy (possibly [REDACTED]) ran up to the van. See Chantel's statement for further details. After taking Chantel's statement, I gave her a ride home.

I went to [REDACTED] house and made contact with him. I spoke with his mom, Gail Smith, also. I told her I would like to talk with [REDACTED] about a criminal damage complaint I was investigating. I also told her that he was not under arrest. Gail stated that would be fine. Gail asked me if she should get a lawyer because she watches a lot of Law and Order. I asked her if she wanted to get one and then I told her it was up to her. Gail then said to me that she did not want to get a lawyer because she did not want to pay for one. After this was said, Gail let [REDACTED] leave with me and I gave him a ride to the police department.

At the department we went into an interview room so we would have some privacy. I told [REDACTED] that he was not under arrest and he was free to leave. [REDACTED] stated he understood this. I asked [REDACTED] about the criminal damage incident.

[REDACTED] was at Koerri's house with his friend [REDACTED] and he heard Lindsey and Koerri arguing with Mike M, Lindsey's boyfriend. [REDACTED] heard Koerri say that he would whoop Mike's ass. Lindsey told Mike M. her boys would back her up. According to [REDACTED] Lindsey was provoking the fight between Mike and the group at Koerri's house.

[REDACTED] stated him, Lindsey, Koerri, [REDACTED] Chantel, Ewedo got into Todd's van. Lindsey gave Todd \$20 to driver them to Milwaukee. Instead of going to Milwaukee, Todd drove them somewhere on Sheridan Road. Todd changed his mind about going to Milwaukee and Lindsey got mad at him. [REDACTED] stated Todd gave Lindsey the money back.

Todd drove them to a house and Lindsey gave Todd the directions to get there. When they got to the house Lindsey pointed out Jason's car. [REDACTED] heard Lindsey say that they should hurt the car or something to that effect. [REDACTED] took it to mean they should do some type of damage.

[REDACTED] admitted to getting out of the van with Koerri and Ewedo. [REDACTED] stated he ran

ahead of the others and jumped on the front bumper and then jumped on the hood so he could smash it. [redacted] stated he landed on the hood and slid off. He ran from the car after falling off of the hood. As he ran away he heard the windows of the car being broken. [redacted] did not see Koerri and Ewedo with any bats because he took off before them so he is unsure how they broke the windows. [redacted] did see someone bring a full length wooden bat from Koerri's house when they left in the van.

[redacted] Koerri and Ewedo ran back to the van and got in. Lindsey was giving all of them hugs and congratulating them. She also thanked them for damaging the car. See [redacted] statement for further details.

I went to [redacted] house to speak with him because his parents would not bring him to the police department because it was almost 10 P.M. I spoke with [redacted] while his mom, Helen, and dad, Darren, were present. [redacted] stated he was at Koerri's house with his friend, [redacted]. He also heard Lindsey and Koerri yelling and arguing on the phone with someone.

[redacted] Lindsey, Ewedo, Koerri, [redacted], Chantel and Todd got into Todd's van because he was going to drive them to Milwaukee. [redacted] did not see anyone bring bats from the house but he did see 2 metal bats in Todd's van. [redacted] stated they did not go to Milwaukee but went to an automotive place.

[redacted] believes Todd chickened out of going to Milwaukee because he said he was not driving them there. [redacted] saw Todd give Lindsey the \$20 she gave him earlier to drive to Milwaukee. Lindsey told Todd to drive to Mike's house and then Jason's house. At Jason's house, Lindsey pointed out Jason's car. [redacted] heard Lindsey say the windows to Jason's car should be broken.

Koerri, Ewedo and [redacted] got out of the van. He did not see any bats in Koerri or Ewedo's hands. [redacted] was sure about [redacted] not having a bat. [redacted] saw the 3 guys go towards the car as the van was pulling away. He did not see any damage being done to the car but he did hear the sound of glass breaking. Less than a minute later, [redacted] saw Koerri, Ewedo and [redacted] get back into the van. [redacted] saw that Koerri had a short bat that was red and wooden. [redacted] heard Koerri and Ewedo brag about breaking the window. [redacted] was also talking about the windows to the car being broken. See [redacted] statement for further details.

Based on the investigation, the following charges are submitted for the following individuals.

1. KOERRI WASHINGTON = CRIMINAL DAMAGE TO PROPERTY (PTAC) 943.01 (2)

On Nov 05, 12:00am, at [redacted], I saw and heard the following:

(In your own words, describe WHO did WHAT, WHERE, WHEN, WHY and HOW, be accurate and complete.)

PLEASE PRINT

I had contacted Lindsey Metz and asked her about the damage to my vehicle, 1991 Honda Accord, on Nov 2, 2007 around 12:00 AM. She then told me that herself, Cory Washington, a girl named Shantel, and another person who lives with Cory drove to my house with the intentions of smashing my car windows and then proceeded to do so. She also told Mike Myers, a friend of mine, the same story. She had told me all this claiming she didn't want to get in trouble.

I have made the above statement without any threats or promises. It is my desire to state the true facts as to this incident. I have read the above statement and find it is true and correct.

On 05-27-10 @ approx 1523 hrs, R/O (Anderson) #488 responded to [redacted] for a report of a vandalism. Upon arrival, I saw that the outer-most pane on a picture window for the lower level was shattered. The property displays a for-rent sign and the lower level is vacant. I had Dispatch call the number on the sign and Dispatch advised they left a message with the incident information.

At 1940 hrs, R/O responded back to [redacted] to speak to the property owner, m/w (David L. Spencer). David said his tenant in the upper, F/B (Tia NMI Thomas), witnessed who broke the window. David called Tia and I spoke to her. Tia said a m/b teen named 'Cory' broke the window with a brick or rock. She said he rides a skateboard in the neighborhood frequently and has longer hair in braids to his shoulders. Tia said she was unable to give a written statement until the morning of 05-28-10. She agreed to come to the PSB and complete a statement. David has Tia's phone number if needed.

I gave David a case card and he was with a man (name unknown) who cleaned up the damaged window before I could get photos. As I was clearing the scene, I was approached by a m/w who only ID'd himself as 'Devon'. He said he didn't want

I was assigned to this case for follow-up investigation. The initial investigation was conducted by PO Anderson 488. David Spencer is the owner of the duplex located at [REDACTED]. Tia Thomas is a tenant at [REDACTED]. Tia witnessed a man she knows as "Cory" throw an object and break a window at the duplex. "Cory" is described as a black male with dreadlocks that often rides a skateboard.

I spoke with David Spencer and his wife Courtney. David told me that two women in the neighborhood of his building were potential witnesses. These women told David that they could point out the suspect. David didn't have the names of these witnesses. I asked David to obtain their names and forward them to me if he spoke to them again.

I canvassed the area of the 2100 block of 62nd Street. I didn't locate any possible suspects or any witnesses to the vandalism.

Koerri Washington was developed as a suspect. Koerri's name is pronounced as "Cory", he fits the suspect's physical description and he often rides a skateboard.

I spoke with Koerri and he denied damaging the window or having any knowledge of the vandalism.

Tia Thomas came to the Kenosha Public Safety Building and viewed a photo line-up containing a photo of Koerri. Tia did not identify any photo in the line-up as being the suspect in this vandalism.

The only known witness in this case did not identify the only known suspect. The known suspect in this case denies committing the vandalism. There are no other known witnesses to this crime.

There are currently no other leads in this case to follow.

On Thursday, 03/18/10 at 2347hrs, P/o Krein 564 and I, P/o Viola 512 assisted P/o DeMario 469 and P/o Koss 565 in attempting to pickup DeShanta Y. Adams F/B [REDACTED] 73 at [REDACTED] (10-037849) in reference to a Parole Violation.

As we entered the apartment building's front entrance, I observed a strong odor of burnt Marijuana in the hallway. I made contact with the resident at [REDACTED], verbally identified as Thaudeus D. Jenkins M/B [REDACTED] 88. Jenkins stated that he had never heard of Adams and was sure that she was not inside his residence. While I was speaking with Jenkins in the doorway of his apartment, I observed a small pile of a green leafy substance on top of a large floor speaker against the south wall of the apartment adjacent to the doorway. I observed the guts of a cigar on the living room table. Through my training and experience, I believed that the green leafy substance was Marijuana. I have arrested numerous people in the past for Possession of Marijuana (THC) and have become familiar with the physical characteristics and odor of Marijuana. I asked Jenkins whose Marijuana it was and he stated that it was his. There were several other individuals inside the apartment. I verbally identified them as, [REDACTED]

I collected the Marijuana in a paper bag. A criminal history check of Jenkins showed no prior convictions for possession of THC.

Jenkins was issued the following citation:

11.146 Possession of THC < 1.0 oz. N1148629

Jenkins was explained the citation and released without incident.

I held the Marijuana as evidence. At the Kenosha Joint Services Evidence Room I tested the green leafy substance using a Duquenois-Levine Regent System NIC E test. The test came back positive for the probable presence of THC. The Marijuana weighed 4.2g. I properly packaged and sealed the Marijuana under PCL# 142341. I secured the evidence in Locker# 416.
