Deputy District Attorney Alexandra Smathers
District Attorney's Office
615 N 6th Street
Sheboygan, WI 53081

Deputy District Attorney Alexandra Smathers:

After significant consideration I have decided to make a change in Deputy status. While I appreciate your work, including your coverage of cases and help mentoring new prosecutors in the Office, there is more work that needs to be completed by the person in the Deputy role. We had discussions about workload. After reviewing case assignments over an extended period of time, noting multiple TR cases and a JO case where you did not respond when calls were received and notice was given to you, reviewing search warrant numbers over time and otherwise considering work performed in the Office and our needs, I have come to the conclusion that today will be your last day in the Deputy role and that on Monday, May 24, 2021, you will return to the title of Assistant District Attorney.

I expect that in returning to your role as an Assistant District Attorney you will be a positive team member in the Office.

Thank you,

Joel Urmanski
District Attorney
Sheboygan County
