Back in 1997, I was a young man who was on the Volunteer Fire Department in Trevor, Kenosha County, Wisconsin. Myself and some fellow members of the Volunteer Fire Department decided to do some very stupid things and set two cars and a camper on fire. We responded to the calls and put the fires out. I pled guilty to what I did and took full responsibility for my actions. I did my time, probation, and paid all the restitution to everyone involved. I have regretted my actions and have done everything I could to make up for what I did by helping my community.

With my current business, I work daily with Fire/Rescue Departments, as well as local Law Enforcement.

The Village of Salem Lakes showed the trust in me by appointing me Commissioner on the Police and Fire Commission, I am currently serving a five year term.

11. Describe any other reason(s) why a pardon should be granted. This includes the length of time since conviction, the lack of subsequent criminal contacts, personal development and growth since conviction, additional documented need for a pardon, etc. *Attach additional pages if necessary.*

It has been 23 years since my conviction. I was a young and foolish man back then and I have regretted my action every single day since.

Since these mistakes, I have devoted my life to helping my community to make up for what I did. I have organized the annual spring clean up in Salem Lakes for the last ten years, where I organize volunteers to clean up the community. and get food donations for our local food pantry.

During the Salem lakes floods of 2017, I organized 360 volunteers to help people in out community clean up when the homes were destroyed.

I also serve on the Salem Lakes Fire Commission. I have been a Commissioner since 2018, when I was appointed to the position.

I have worked hard to try to make a better name for myself.
